International Symposium on Molecular Materials and Organometallics
May 12 – 14, 2004
Rennes, France

Announcement and call for papers
Invitation
It is with great pleasure that we invite you to participate in the International Symposium on Molecular Materials and Organometallics. The symposium is organized as a result of rapid developments in the field of molecular materials from concepts to applications. Papers are solicited on the following topics: molecular materials and organometallics designed for
- electronics and optoelectronics
- non-linear optics
- liquid crystals
- luminescence and electroluminescence
- magnetism

We look forward to seeing you in Rennes!

Symposium Location
The symposium will be held at the University of Rennes 1, Campus de Beaulieu, Rennes, France. Information and map will be available on the website of the symposium.

Scientific Programme
The symposium will comprise invited lectures, oral and poster presentations. Registration and Get Together Party will start on May 12 at 5:00 pm.

Abstract Submission
You are invited to submit papers for selection for oral and posters sessions. The deadline for submission of papers is March 15, 2004. Contributors should prepare a one-page abstract using the Rich-Text Format (RTF) and submit it by e-mail to molmat@univ-rennes1.fr. A template is available for download from the website http://molmat.univ-rennes1.fr

Meals
Lunch services and Thursday poster buffet are included in the registration fees.

Accomodation
A list of hotels is available on the website of the symposium.

Social Programme
A guided tour to Mont Saint-Michel will be organized on Saturday May 15.
